

A woman with long blonde hair is posing dynamically against a solid green background. She is wearing a white sleeveless top with a scoop neckline and a white pleated skirt. The top and skirt feature white drawstrings that are tied at the waist, creating a cinched effect. She has one arm raised and the other extended outwards, looking towards the camera with a smile.

L'œuf Poché
tennis & activewear for women

About the Brand:

L'Oeuf Poché's philosophy is to offer fashion forward tennis and activewear to the modern woman. Our collection embodies classic lines and shapes with fashion flair in details. We also pride ourselves in the thought and care we put into the production of each garment. Each piece is made in the U.S. with much care under ethical working conditions.

What does L'Oeuf Poché mean?

L'Oeuf Poché means The Poached Egg in French. L'Oeuf is said to be the origin of the term "love" in tennis because eggs resemble a zero. Poach is also a tennis term, which is used to describe a play in doubles where the player at the net crosses the court to volley a shot intended for his/her partner. High risk, high reward!

2013 Collection:

The 2013 Collection is an extension of the 2012 collection. We introduced new gingham trims for our best selling styles. We love the classic gingham pattern as it integrates seamlessly with our clean lines while still giving it the L'Oeuf Poché signature pop of style and femininity. We also introduced new scalloped and ruched mesh styles, offering more options for mixing & matching.
