

L'œuf Poché
tennis & activewear for women

About Us

L'Oeuf Poché's philosophy is to offer fashion forward tennis and activewear to the modern woman. Our collection embodies classic lines and shapes with fashion flair in details. We also pride ourselves in the thought and care we put into the production of each garment. Each piece is made in the U.S. with much care under ethical working conditions.

What is "L'Oeuf Poché"?

L'Oeuf Poché means The Poached Egg in French. L'Oeuf is said to be the origin of the term "love" in tennis because eggs resemble a zero. Poach is also a tennis term, which is used to describe a play in doubles where the player at the net crosses the court to volley a shot intended for his/her partner. High risk, high reward!
